Voice Roaming Options

Important Information:

Either Vodafone World or Vodafone Passport must be applied to ALL handsets within a group. They cannot be mixed and matched at handset level within a group.

VODAFONE WORLD RATES

Vodafone World Rates are the basic charges a customer pays when travelling abroad. The countries are grouped into zones. Usage in the EU zone will cost no more than 33ppm to make a call or 16ppm to receive a call. All tariffs are applicable with Vodafone World Rates but it must be stated on the contract if a customer wishes to have them, otherwise their tariff will default with Vodafone Passport. **Prices can be found at Vodafone.co.uk.**

Choosing Vodafone World on e-Contract - Tariffs with Vodafone World will have "ER" in their name.

Choosing Vodafone World on Paper/Excel Contracts – Please state so in writing.

VODAFONE PASSPORT

Designed for customers who expect to make long calls in Europe, Vodafone Passport charges customers an upfront fee of 64p (ex VAT) and then any minutes used are taken out of their bundle. Yes Telecom customers default with Vodafone Passport unless otherwise specified on their contract.

Choosing Passport in e-Contract - Tariffs with Vodafone Passport will have "VP" in their name.

Choosing Passport on Paper/Excel Contracts – Please state so in writing.

For applicable Vodafone Passport countries, please visit www.vodafone.co.uk

ROAMING VOICE BUNDLES – 30 day rolling contracts

Vodafone Roaming Bundles

30 day rolling contract

Three Sizes:

Data Tariff Information

- Compatible with Vodafone Data, Business and Volume only. Incompatible with Perfect Fit for Business tariffs
- Bundled data does not roll-over to following month
- For all per MB prices first period charges are at 10KB and then at 10KB increments thereafter.
- Mobile Broadband Business Customers cannot migrate onto Mobile Broadband Small Business

*Mobile Broadband 3GB Bundle and Mobile Broadband 3GB: The customer is charged £12.77 per GB that exceeds the 3GB monthly allowance. Mobile Broadband Small Business, Business, Euro Travel and Travel are subject to a 5GB UK fair usage policy. Mobile Broadband Business 10GB subject to 10GB UK fair usage policy, Mobile Broadband Business 20GB subject to 20GB UK fair usage policy. 24-hour UK sessions subject to 500MB fair usage policy. 200MB roaming on Mobile Broadband Travel is on any network/country. 200MB roaming on Mobile Broadband Euro Travel is in selected countries. For a list of these countries please go to www.vodafone.co.uk/goabroad. If the customer exceeds their data allowance or utilises VoIP or Peer to Peer services when out of bundle, we may contact them to recommend an alternative price plan, ask to moderate usage or limit their broadband speed. In extreme cases, such as illegal use, we may block access or disconnect the customer. Out of bundle texts on Mobile Broadband Small Business is chargeable.

European Roaming: A day is classed as midnight to midnight GMT and a session begins the moment a customer accesses data and will be counted until either the end of the day (midnight GMT) or when 50MB is reached. Usage over 50MB in a day will result in a further charge of £8.50 (ex VAT) for each additional 50MB used respectively.
ROW Roaming: A day is classed as midnight to midnight in GMT and a session begins the moment a customer accesses data and will be counted until either the end of the day (midnight GMT) or when 50MB is reached. Usage over 50MB in a day will result in a further charge of £25.50 (ex VAT) for each additional 50MB used respectively.
